

Triple Disc Digital Mastering Form

Triple Disc can perform digital mastering from any of the following supplied media: CD, CDR, DAT, Minidisc, and analog cassette tape. We will perform the following checked services and will provide you with a mastered CDR for review. Please allow 3 days for us to digitally master your project.

Please complete the form below and send it in with your order form and audio source:

Project Title: _____

Number of Tracks: _____

Estimated mastering time: _____

(figure 1.5 to 3 hours of mastering time for every hour of music, depending on how many processes are checked)

Please place a check next to each digital mastering process you would like us to review/perform:

Maximize Volume
Amount of compression (*0 is none and 10 is max it out*): _____

Digitally fade in / fade out the beginnings and endings of each track.

Make the time between each track consistent.
Amount of time, in seconds, to have between each track: _____

Analog / room noise reduction.

Click removal/clean up.

Other _____

Other _____

Special Instructions:

If you would like some tracks softer, or a special area of a track reviewed, or would like us to remove applause, or to merge specific tracks, or to include applause, please let us know these and any other special instructions in the space below:
